PURPOSE

The Individual Artist Grant represents a “live & work” investment in local artists. They are designed to increase support for local artist-initiated activity, and to highest the role of artists as important members of the community. These grants are intended to support creative artists (not interpretive), interested in working within a community setting. Community engagement is an essential element of this grant opportunity. The project must engage a segment of the community through a public program, such as a public exhibition or performance, and/or the inclusion of community involvement in the project’s development and creative process.

LOCAL HISTORY

These grants were new to Jefferson, Lewis, and St. Lawrence Counties in 2013. This year, in 2021, the Public Art Fellowship grant becomes the Individual Artist Grant.

SCHEDULE OF WORKSHOPS

SLC Arts offers free training workshops to help individuals and organizations learn how to apply for an Individual Artist Grant, and to provide a valuable opportunity to network with other local artists and organizations. These workshops also contain information about any changes to the grants process or paperwork since the previous year, and provide a valuable opportunity to network with other local artists and organizations.

First-time applicants must attend a workshop - live or virtual - in 2020 to apply for a 2021 grant; returning applicants are encouraged to attend. Participants should register in advance by contacting SLC Arts. Workshops are held, July - September. Typically, workshops are held at various locations around Jefferson, Lewis, and St. Lawrence Counties. This year, due to the COVID19 pandemic, all prescheduled workshops will be delivered virtually, using the Zoom video conferencing app. One-on-one meetings may be scheduled upon request.

APPEALS PROCESS

An applicant may only make an appeal based on the following three grounds:

1. Non-presentation of *significant and pertinent* information by staff or panelist
2. Misrepresentation of *significant and pertinent* information by staff or panelist
3. Improper procedure (bias or arbitrary/capricious)

Dissatisfaction with a funding decision is not sufficient justification for an appeal. Appeals are appropriate when an organization is denied a grant, and feels that the process was carried out unfairly or incorrectly. Applicants wishing to appeal a funding decision must initiate the process within two weeks of receiving an award notification. Applicants must call the Grants Coordinator to discuss the funding decision before submitting a letter of appeal to the SLC Arts Executive Director, which clearly outlines the reasons for appeal based on the grounds listed above. Upon receipt of this letter, a new peer panel will be convened to evaluate whether the appeal has merit.
