PROPOSED PROJECT NARRATIVE

Proposed Project Narrative:

- **Project Summary:** Describe the project for which you are seeking support, including projected performance dates and locations (in the tri-county area during 2022). How will these grant funds be spent?
- **Artistic Expertise:** Detail your artistic career/expertise as it relates to the discipline for which you are applying, to contextualize the work for the panelists. Note any awards or special recognition you have received. If applicable, describe how your work is rooted in a specific technique and/or cultural tradition.
- **Artistic Vision:** Explain your clear artistic vision to the panel as it is exemplified in the sample(s) you have submitted. Note any stylistic or technical elements that are directly related to the proposed project. If the proposed project represents a new direction or departure from your past work, as demonstrated in the work sample(s), this should also be discussed.
- **Public Engagement:** Describe how the proposed project engages a segment of the community through a public program, such as an exhibition or performance that is open to the public, and/or the inclusion of community involvement in the development and creative process of the project.
- **Marketing & Promotion:** How will you get the word out about your project? Which channels will you use? How will you ensure that your work will reach your target audience?

Community Impact: Please estimate; a) how many people ages 0-18 would benefit directly from, or participate in, these programs; and b) the total number of all people, including people listed in part a, who would benefit from this grant. These estimated figures are reported to our state-level granting organization.

Project Budget: Show both projected and committed financial support for the full project, even if you are only applying for a specific phase of production. This budget is important in demonstrating fiscal and managerial competence. You are encouraged to include notes explaining the budget and a list of any in-kind contributions.
