About

The Arts Education Grant is available in Jefferson, Lewis, and St. Lawrence Counties through a competitive re-grant program administered by the St. Lawrence County Arts Council (SLC Arts). Funds are provided through the *New York State Council on the Arts (NYSCA)*, to support local cultural organizations and/or teaching artists in providing meaningful arts education opportunities. *Made possible with funds from the Statewide Community Regrants Program, a regrant program of the New York State Council on the Arts, with the support of the Office of the Governor and the New York State Legislature, and administered by the St. Lawrence County Arts Council.*

Purpose

Arts Education Grant projects focus on the exploration of art and the artistic process. The Arts Education Grant offers two funding strands:

K-12 In-School Projects: Individual artists, nonprofit organizations or unincorporated organizations work in partnership with public schools to engage K-12 public school students in rich, artistic learning experiences during school hours. Interdisciplinary collaboration is encouraged, but not required. A letter of commitment from the partner school to the arts organization or artist must be included with the application to be eligible for funding. The letter of commitment must outline in detail the partner(s) support of the project (monetarily and otherwise) and anticipated roles and responsibilities for each partner involved. The partnership letter must be on the partner(s) letterhead and signed by the principal.

After-School and Community-Based Learning: Individual artists, nonprofit organizations or unincorporated organizations work in partnership with a community partner, in an after-school or community-based setting, to provide rich, artistic learning experiences to learners of all ages. A letter of commitment from the partner arts organization or artist must be included with the application to be eligible for funding. The letter of commitment must outline in detail the partner(s) support of the project (monetarily and otherwise) and anticipated roles and responsibilities for each partner involved. The partnership letter must be on the partner(s) letterhead and signed by the director of the partner organization.
